

PROPER GARBAGE TOTER PLACEMENT:

Please be advised that all garbage pails should be placed BEHIND THE CURB. There should be nothing placed in the roadway that would impede or delay the removal of snow or ice from the road. The garbage truck arm has the capability to reach past the curb in order to pick up your cans.

- **Set toter out by 6:00am, remove within 24 hours.**
- **Placed toter with the lid handle and wheels pointing towards your residence.**
- **Do not place toter in the roadway.**
- **Do not block walkways with toters.**
- **Place carts at least THREE FEET APART from each other and mailboxes, fire hydrants, low hanging trees or shrubs, parked cars, or utility poles – so trucks can easily access the cart.**
