

We are
TEAM REDEEM

and

**WE WANT YOUR
NICKELS!**

Why do...

WE WANT YOUR NICKELS?

Here's why...

TEAM REDEEM was started by a few Chester Academy students who have a love for animals and care about the environment.

Our goal is to get communities involved and make a widespread effort to collect redeemable bottles and cans and donate 100% of the money to animal shelters/sanctuaries.

It's really a win-win proposition...bottles and cans that may otherwise be thrown away and end up in a landfill (or worse yet, simply get tossed onto the side of the road!) get recycled as they should OR you no longer have to deal with those darn bottle redemption machines that never seem to be working AND an animal sanctuary gets desperately needed donations.

Since we started just one year ago, we have collected and recycled **OVER 50,000** empties! That's more than \$2,000, all of which was given to local animal charities - we are very proud of this but want to do better. The amount of bottles & cans not recycled is simply staggering and we need your help to get our hands on it!

So PLEASE gather up those redeemables and help us help the animals and the earth!
