Re: Recycling Services

Dear Mr. Valentine,

This letter is to inform you that effective 6/1/20, Interstate Waste Services, IWS, will resume the processing of recyclable material at our transfer and material recovery facilities.

With the restart of this operation, IWS will continue all collection services to the Town of Chester as scheduled. Temporary disposal fees applied to single stream recyclables will be eliminated from your monthly invoice effective 6/1/20.

By adhering to social distancing requirements, we were able to take the necessary steps to protect our workers, families and communities during the COVID-19 pandemic.

We thank you for your understanding as we all continue to work through these difficult times.

Respectfully,

Interstate Waste Services, Inc.
