- > Good Morning Linda
- > I am writing this email to urge you to block the change in the zoning law for Camp Monroe. I live off of Laroe Road. There's already tremendous traffic on the road as well as on Lakes road . I can't even get out of my private road half the time with the amount of cars coming up and down the hill I can't imagine what the increase in population over here I would do.
- > Please help us to preserve the area and have them adhere to the summer camp restrictions.
- > Thank you for your time and effort in this matter.
- > Sincerely
