Subject: Concern About Proposed Zoning Changes in AR-3 District

Caution: This is an external email and may be malicious. Please take care when clicking links or opening attachments.

Dear Ms. Zappala,

I am writing to express my strong opposition to the proposed zoning change in the AR-3 District. The rural character of the town of Chester is its greatest asset and important to our quality of life. When the towns current zoning is fully built out in a hundred years the next generation will thank us.

Thank you for considering the views of Chester residents.
