TOWN CLERK  
CHESTER, NEW YORK

## Chester Residents Alliance

10-31-25  
Town of Chester  
1786 Kings Highway  
Chester, NY 10918

**Attn:** Town Clerk, Ms. Linda Zappala

Dear Ms. Zappala,

On behalf of the Chester Residents Alliance, we respectfully submit the enclosed petition expressing opposition to the proposed zoning change in the AR-3 District.

This petition represents the voices of **245** residents and concerned citizens who have signed both in person and through our website, [REDACTED]

Our community's message is clear: the proposed reclassification allowing year-round institutional use is not consistent with Chester's Comprehensive Plan and threatens the rural character, safety, and infrastructure of our town.

We kindly request that this petition be entered into the public record and provided to all members of the Town Board, Planning Board, and Zoning Board of Appeals.

Thank you for your service and attention to this important matter.

Respectfully,

**Chester Residents Alliance**

[REDACTED]  
☐ Chester, NY

# **Petition to the Town of Chester: Oppose Zoning Changes in the AR-3 District**

We, the undersigned residents and concerned citizens of the Town of Chester, object to the proposed zoning change that would change the current allowable 40+ year-old non-conforming seasonal camp to be reclassified as a Religious Institution with a School and additional open-ended accessory uses as determined by the applicant within the Town's agricultural rural zoning district.

## **Our Objections**

This proposed change should be **rejected** because:

- The change in use is not consistent with the Town's Comprehensive Plan, nor with its present and proposed vision for future development.
- The AR-3 Zoning District is an agricultural rural zone intended primarily for farms, open spaces, parkland, regional hiking trails, and ridge preservation.
- The AR-3 District has low density residential uses mostly of non-traditional neighborhoods with large space of Open Area Developments (OADs) and managed by Homeowners' Associations (HOAs) that maintain substandard roads and lack in sidewalks.

The AR-3 District lacks municipal water and sewer services, making it unsuitable for the needs of high-intensity institutional uses.

- Religious Institutions and Schools are already permitted in other zoning districts within the Town, where proper infrastructure exists to support them.

## **Our Requests**

We respectfully urge the Town of Chester to:

1. **Reconsider adding the proposed zoning change that would allow for**

**special use permits in the AR-3 Zoning District until an Environmental Impact Statement (EIS) is completed.**

This study must evaluate the town-wide cumulative impacts of introducing expanded institutional uses within the AR-3 District, not just the effects on the camp property in question.

**2. Hire Special Counsel to provide specialized legal guidance to the Town Board on this matter.**

The Town Attorney currently manages numerous other municipal responsibilities and cannot devote sufficient time to thoroughly research and advise on this issue before the Town moves forward to adopt additional code changes and lift the current moratorium.

**Conclusion**

**We believe this zoning change poses significant and long-term risks to the character, safety, and environmental integrity of the AR-3 District and the Town of Chester as a whole. We therefore respectfully request that the Town Board deny OR defer this zoning amendment until thorough environmental and legal review has been completed without the pressure of a timeline to adopt Comprehensive Plan and Zoning Code improvements.**

## Chester Residents Alliance

Online Petition Signatures ( [REDACTED] )  
Opposing Zoning Changes in the AR-3 District

---

### Purpose

This digital petition gathers signatures from Chester residents and community members who oppose the proposed zoning change in the AR-3 District that would permit year-round institutional or residential use of the current seasonal camp property.

The change would undermine Chester's Comprehensive Plan and rural integrity by allowing large-scale development in areas that lack public sewers, sidewalks, and adequate roads.

---

### Summary

Collected via our secure website at [REDACTED] this petition reflects real-time submissions through an online form integrated with verified digital signatures and address fields to confirm residency.

These names and addresses represent concerned Chester residents committed to preserving the town's open space, safety, and character.

---

### Collection Totals

Total Online Signatures Submitted: 167  
(as of 10-31-25)

# Chester Residents Alliance

## In-Person Petition Signatures Opposing Zoning Changes in the AR-3 District

---

### Purpose

This petition represents signatures personally collected from residents of the Town of Chester who oppose the proposed zoning change that would reclassify a long-standing seasonal camp in the AR-3 rural district into a religious institution with a school and other year-round uses.

This proposal could open the door for **large institutions or housing complexes in areas never meant for that kind of development** — neighborhoods without sidewalks, sewers, or proper roads.

---

### Summary

Between **10-25-25** and **10-26-25**, volunteers from the Chester Residents Alliance collected in-person signatures from local homeowners and residents who share our commitment to preserving Chester's rural character and responsible growth.

Each signer personally affirmed their opposition to the zoning proposal and provided their name and address for verification within the Town of Chester.

---

### Collection Totals

**Total In-Person Signatures Collected: 79**

---

### Submitted By
