We must STOP Camp Monroe from changing their zoning laws. When I moved here 28 years ago it was quiet, no crazy traffic, clean and peaceful. I want my neighborhood to stay that way. Unfortunately, it's already starting to get noisy, dirty and busy with buses and other traffic since Camp Monroe was sold.

Therefore, I believe this zoning change poses significant long-term risks to the character, safety and environmental integrity of the AR-3 District and Town of Chester as a whole. I request that the Board deny this zoning amendment until a further, thorough environmental and legal review has been conducted without the pressure of a timeline to adopt Comprehensive Plan & Zoning Code Improvements. It is essential for the peace and safety of our community. Thank you!
