The Kiwanis Club of Chester in conjunction with the
Town of Chester and Village of Chester invite your participation
Annual Chester Community Clean Up Day
to be held on April 11, 2026 from 9am through 11:30am.

Each year, we meet at the Wendy's Parking lot on Brookside Avenue and set out from there in teams.

Proper equipment including work gloves and safety vests are provided.

We meet back at the parking lot where lunch is provided for all the volunteers.

Your assistance in this community effort is much appreciated
and will go a long way to help us beautify our Town.

Together we can make Chester a place we can all be proud of!
