

Did You Know?

E-Waste Recycling

Don't throw electronics into your regular garbage or curbside recycling. These devices contain hazardous materials like lead and mercury that can cause fires and pollute water.

Bring your old electronics, including computers, laptops, tablets, cell phones, keyboards, computer mice, speakers, scanners, game controllers, monitors, printers, and TV sets for recycling to:

- Interstate Waste Services, Inc.
- 89 Black Meadow Road, Chester, NY 10918
- Mon-Fri, 8am-4pm. Schedule your appointment at 845-572-3300.
- Town or Village of Chester NY residency ID required.

Note: Orange County Transfer Stations, Apple Stores, Staples, and Best Buy are other options.
Call/go online for locations & details.
