

The Sugar Loaf Community Foundation is proud to announce the release of the **Fall Edition of the Sugar Loaf News**. Inside, you'll find stories about your neighbors, information about what's happening in the hamlet, and articles contributed by members of our community.

As the seasons change, it's a wonderful time to rediscover Sugar Loaf—and we hope this newsletter inspires you to visit, reconnect, and reengage with all that our unique hamlet has to offer.

Happy reading, and we hope to see you in Sugar Loaf soon!
