IMPORTANT BOIL WATER NOTICE

TO RESIDENTS OF #1-23 MAPLE LANE

OF THE WALTON LAKE WATER DISTRICT

Please be advised that due to a water main break that happened during flushing on October 5, 2026, **ONLY RESIDENTS THAT LIVE IN ADDRESSES #1-23 MAPLE LANE** in the Walton Lake Estates Water District will be under a boil water advisory water until further notice. When a boil water advisory is in effect, bottled water should be used for drinking, making ice, washing dishes, brushing teeth, and preparing food. Tap water should be brought to a rolling boil for at least one minutes (and then allowed to cool) before consumption/use in cooking. View the New York State Department of Health Boil Water Notices page for questions and answers regarding for bathing, cooking, cleaning and other uses during these times. www.health.ny.gov/environmental/water/drinking/boilwater/ Two consecutive days of coliform samples must be collected to confirm the absence of bacteria prior to lifting the boil water order.

We apologize for any inconvenience this may cause. The health and welfare of our residents is a top priority to the Town of Chester.
