TOWN OF CHESTER

# HIGHWAY DEPARTMENT

## WINTER MAILBOX REMINDER

### *Now is the time to check your mailbox!*

With winter weather approaching, residents are encouraged to inspect their mailboxes and posts for any damage or signs of leaning.

**If your mailbox or post is loose, leaning, or damaged, please make the necessary repairs before the snow arrives.**

A properly installed and well-maintained mailbox is less likely to be damaged by the force of snow coming off a passing snowplow.

*Taking a few minutes to make repairs now can help prevent problems during the winter months.*

***Thank you for helping us prepare for a safe winter season!***
