NOTICE TO WALTON LAKE WATER DISTRICT RESIDENTS

ANOTHER UPGRADE SCHEDULED
MONDAY NOVEMBER 9, 2026

On Monday, **November 9, 2026** the Water Department will continue work to replace valves in your district.

Lake Region Boulevard, Mt Ridge Ct, and Cambridge Circle Residents may experience
Low water pressure for a period of time.

Once service is restored, you may release air pressure through an outside spigot to start the flow of water again.

Thank you for your understanding.
Any questions or concerns please call 845-469-7000 option 4
